Breastpump Inservice

Thursday, May 30th

7 - 8:30 pm

Mothering Touch Centre

975 Fort St.

It's about helping Moms.

When it comes to pumps and pumping, what's new & old?

What are some issues moms need help with?

What are some helpful tips?

Come and share your experiences with such things as:

- Transitioning to home with baby
- What's available in the community
- Use and care of various pumps

Light refreshments provided by BfM—svi. Please let us know you are coming to help us prepare. Call Audrey 778-678-0747.
